Tom -

It's Gloria. Thought text better and easier for Gary while flying.

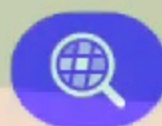

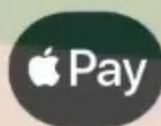

Tex seems to be going in and out of these severe mood swings. Called multiple times screaming at staff again this morning.

And had it out with my dad, dickie and Wesley during breakfast this morning.

Ironically he is currently at Moncrief cancer institute and has agreed to get a CT scan and blood work. He went to see my dad who just completed his MRI - which is all Clear, thank
